IN MEMORIAM

IN MEMORIAM

In loving memory of our dear husband, William Ray Baldwin, who passed away 7 years ago, July 13, 1951.
We do not need a special day,
To bring you to our mind,
The days we do not think of you,
One would never find.

Although our paths lie far apart,
You live forever in our hearts;
Somewhere back of the sunset,
Away from the world of strife,
Our loved one is sleeping,
In that land where there is no night.

Your memory is as sweet today,
As the hour you went away,
There comes a time for all of us,
When we must say goodbye.
But faith, hope and trust can never die.
The future's fairer than the past,
If only we believe,
So when the Master calls,
We will say life is still more fair
Although the curtain falls.
—Your devoted wife, children, grandchildren, brothers and sisters.
Mrs. W. Ray Baldwin.

IN MEMORIAM

In loving memory of our dear son and brother, James Thurman Gibson, who passed away fourteen years ago July 17, 1944.
Jimmie though absent you are always near, Still loved, still missed, still very dear. There is not a day we do not think of you.
God gives us the strength to bear it, the courage to meet the blow, but how much we miss you the world will never know. The flowers we place upon your grave may wither and decay, but our love for you sleeps beneath and will never fade away.—Your loving
Mom, Dad, Charlie and Billy.

AN ORDINANCE TO BE KNOWN AS THE MOTOR VEHICLE LICENSE ORDINANCE FOR THE PURPOSE OF LEVYING AND COLLECTING A LICENSE TAX ON MOTOR VEHICLES IN APPOMATTOX COUNTY, VIRGINIA FOR THE SUPPORT OF THE COUNTY GOVERNMENT AND FOR OTHER GENERAL COUNTY PURPOSES AND PROVIDING PENALTIES.

"BE IT ORDAINED by the Board of County Supervisors of Appomattox County, Virginia that there is hereby adopted an ordinance to be known as the MOTOR VEHICLE LICENSE ORDINANCE for the purpose of levying and collecting a license tax on motor vehicles in Appomattox County, Virginia as follows, to-wit:

Pamplin Mother Flown In From Mid-East

A happy home-coming is in prospect at Pamplin tonight or tomorrow, as relatives and friends put out the welcome mat for a Pamplin mother and child flown in yesterday from the Middle East trouble spot of Irak. Mrs. Betty M. Dalton and her two-month old son, Steven were two of the first three Americans to be flown home from Baghdad. The third was Mrs. Margaret Masquarrie, of Babylon, N. Y. They arrived in Boston early yesterday, and then caught another plane to Washington.

Mrs. Dalton is the former Miss Mildred Slayton, daughter of Mr. and Mrs. C. W. Slayton, of Pamplin. Her husband is a U. S. Naval attache in Baghdad, and they had been in Irak ten months.

The Times-Virginian talked with Mrs. Dalton's mother, Mrs. Slayton, last night, and she stated that she was leaving early today, with Mr. Dalton's mother, from Lanenburg, for Washington, to meet her daughter and bring her to Pamplin. Mrs. Dalton telephoned her mother at Pamplin immediately upon arriving in Boston. She was on the first plane load of Americans leaving Irak after the recent uprising there. They left Baghdad Monday, flying first to Rome and then came on to Beston on a Pan American World Airways plane. Mrs. Dalton does not think that her husband will be able to leave Irak soon.

She reported that there are something over 1,000 Americans in Irak and that they are safe. She stated that the new government cooperated in evacuation arrangements.

Her statement noted: "I was not frightened, but I am very happy to be home."

Mrs. Slayton told The Times-Virginian that she had contacted Rep. W. M. Abbitt in an effort to expedite the return of her daughter to the States, and that Mr Abbitt had visited the Slayton's Sunday to offer his services.

With her two-month old son in her arms, Mrs. Dalton told of everything being quiet for the moment is Baghdad, but that armed troops, as well as artillery and machine guns were abundantly in evidence.

Mrs. Dalton said that the plane trip home was made mostly in fog and rain.

PENCE TO SPEAK AT HUNT CLUB PICNIC

Hon. Richard Pence, of Roanoke, will ge the guest speaker at the annual dinner of the Mountain View Hunt Club this Sunday at the Club Lake. The lake is located on the farm of Willie and Tom Ed Woodson, off Route 24 north of Vera.

The annual club picnic dinner will be held at 1:00 P. M. Speaking will take place at about 2:00 P. M.

Last year, Hon. J. Lindsay Almond was the speaker at the club's picnic. Mr. Pence, Roanoke attorney, is the Democratic nominee for Congress in the Sixth District.

Friends are invited to attend this occasion. It is not a political rally, but is the annual social get-together of one of the largest hunt clubs in this area.

New Provisions On Tobacco Allotments

Production and sale of harvested "suckers" from a farm tobacco acreage allotment will hereafter result in a reduction of the tobacco allotment the following year, according to Floyd Fleshman, the chairman of the Appomattox County Agricultural Stabilization and Conservation Committee.

The new provisions are included in an amendment to the law governing tobacco acreage allotments and marketing quotas recently passed by Congress and approved by the President.

The law requires that if more than one crop of tobacco is grown from the same plants, or different plants on the same acreage in one year, the tobacco allotment for the farm will be decreased. The decrease in the farm tobacco allotment will be equal to the acreage from which two crops of tobacco are grown. Previously, two crops of tobacco from the same acreage in one year had no effect on the farm tobacco allotment the following year.

These new provisions go into effect beginning with the harvesting of 1958 crop of tobacco, and the reduction applies to the next established allotment for the farm.

Appomattox Park Attendance May Surpass Top Year's Record

The group was welcomed by H. A. Gurney, Supt., Ranger - Historian Robert Reid gave a briefing on the historical background of events leading up to the April 9, 1865 peace-making. Ranger - Historian John Noechel led the group on a tour of the museum and lectured on its operation. Mrs. E. C. Smith, Clerk, explained the workings of the Park Service Office. After lunch, Ranger - Historian Gordon Mason took the visitors on the McLean House tour, and Historian Jerry Lowry headed a tour of the jail and Old Court House Village.

Restoration Work

There is considerable activity at the moment in restoration work at Old Appomattox Court House. In order of progress, this work includes:

1. Tavern Guest House. Real progress is in evidence on this project, one of the features of 1958 restoration. The porch is up and brick work well advanced, and the workmen are ready to start plastering. It is confidently expected that completion of this restoration will be an important addition to the attractions at the Village. It was originally operated to accomodate the "overflow" from the Clover Hill Tavern. It is being restored to its 1865 condition and appearance.

2. The Plunkett-Meeks or Raine House. The basement has been dug and the walls are going up. The foundation has been restored, and when completed this building will have 90% of its original brick.

Need Pictures For Other Restoration

Most important of the remaining projects at the Old Court House is the rebuilding of the old court house itself, and restoration of the jail.

Supt. Gurney said yesterday that "there is a big vacuum to be filled in our knowledge of the old court house itself." This building was destroyed by fire in 1892. The Park Service is most anxious to assemble every available picture of the old court house building. It needs pictures from every angle. The same is needed for restoration work at the jail In both cases, the need is for information as to how these buildings looked in 1865, or near to that time as possible. Also, it is hoped that anyone having letters, or any other material describing anything about these two buildings will come forward with same. The interior arrangement of the old court house is on the list of items coming under the "big vacuum" of information heading. The jail still stands, but the question is: How did it look, inside and out, in 1865?

The Park Service strives for complete accuracy in its restorations. Therefore any and all reliable information on the old court house and jail exteriors and interiors, etc. will be welcomed.

Abbitt Bill On Tobacco Relief And Allotment Passed by House

The House of Representatives on Monday, July 21, passed H. R. 13240 introduced by Representative Watkins M. Abbitt (D.Va.) to give relief to those producers who have allotments for both dark-fired and sun-cured tobacco which is grown exclusively in Virginia. "The bill," Abbitt said, "permits a referendum by all of the producers of both types of tobacco to decide whether or not the producers who have allotments of both types of tobacco desire to select one type of tobacco to raise, rather than to have allotments of both types."

The bill was referred to the Tobacco Subcommittee of the House Agriculture Committee of which Representative Abbitt is chairman. The bill was reported out favorably by the subcommittee and acted upon favorably by the full Agriculture Committee. It is thought that the bill will be up for action by the Agriculture Department in administering the programs and of assistance to the farmers who have dual allotments inasmuch as, if the referendum is favorable, these farmers will be permitted to select which type of tobacco they desire to produce. It will not be a burden on either type of tobacco inasmuch as the sun-cured tobacco raised in the dark-fired area is sold on the dark-fired market and goes mainly into the dark-fired tobacco stocks.

Abbitt said "There are 7,353 farms in Virginia raising dark-fired tobacco and 4,000 farms producing sun-cured tobacco. Of these totals, about 1,817 have both types of allotment. The later group will be the ones permitted to select which type of tobacco they prefer to raise rather than continue to raise both types provided, of course, the referendum is carried by a vote of two-thirds of the producers participating in the referendum."

The bill was supported by the Virginia Dark-Fired Tobacco Growers Association, the Virginia Sun-cured Cooperative, the Virginia Farmers Union and the Virginia Farm Bureau.

Abbitt stated that "the bill provides for three things. First, the holding of a referendum of all sun-cured and dark-fired growers to determine whether they favor permitting those growers who have both allotments to consolidate the allotments into one kind of tobacco — either dark-fired or sun-cured. Second, if two-thirds of the growers voting favor the proposal then the owners of those farms which have both kinds of allotments will have the two allotments combined into one with the grower having the right to elect which one of the two kinds of tobacco he is to produce in the years ahead. Third, the bill specifically provides that the total of the acreage allotted for the two kinds of tobacco will not be increased or decreased although there may be an increase in one type and a decrease in the other type but the combined total will remain the same."

STATE LISTS SOME ROADS FOR MINIMUM SPEEDS

Selected routes in six highway districts throughout Virginia will be marked for a minimum speed limit of 40 miles per hour, the State Highway Department announced today.

The routes affected in each of the six districts are:

Staunton: US 11 from Fairfield to Lexington.

Lynchburg: US 58 between Turbeville and Danville.

Salem: US 11 and 460 from the intersection with Route 311 east of Christiansburg to just west of the intersection with Route 619 west of Salem.

Richmond: US 460 from Petersburg to the Sussex county line and US 60 from Bottoms Bridge to the James City county line.

Suffolk: US 460 from the Prince George county line to Elephant Forks in Nansemond county; US 60 from the New Kent county line to Route 168Y; Routes 168Y and 168 from US 60 to Route 132; US 13 from the Virginia - Maryland line to Accomac; 13, 58, and 460 from Route 337 to Bowers Hill west of Norfolk; 13 and 460 from the south corporate limits of Norfolk to Bowers Hill; 58 from the east corporate limits of Norfolk to Virginia Beach.

Culpeper: US 29 - 211 from Warrenton to a point just east of Gainesville, and Route 350 from the intersection with US 1 near Woodbridge to Lincolnia in Fairfax county.

The Department's action was in conformity with a bill passed by the last session of the General Assembly giving the Highway Commission authority to set minimum speed limits after engineering and traffic studies have been completed.

NEWS REPORT OF MAYOR MOSES

To the Citizens of the Town of Appomattox:

You fine people are to be congratulated again for the splendid effort that everyone has shown toward both our Safety and Clean-Up campaigns.

The regular monthly meeting of the Town Council was held Monday July 21.

The problem of collecting garbage twice a week was discussed at length, but it was decided that it would be almost impossible for the town to do this now, and also repair the streets at the present time. I sincerely hope that everyone will understand this problem. Please remember that the garbage is collected on the north side of the railroad on Mondays and on the south side on Wednesdays. After talking with the town employees, it is felt that we can give you better service if you will set only garbage out to be picked up. Your cooperation and assistance in burning the trash, tree limbs, chippings, etc., will be greatly appreciated by all concerned.

A new road has been constructed leading to the town dump. Please bear this in mind and anyone hauling their own trash and garbage make sure to use the new road, for I feel that you can travel to and from the dump with ease.

There are a few streets in town which have not had street signs installed. The proper signs have been ordered and will be erected upon arrival.

Your counsel and advice on all public matters is welcomed at all times.

Sincerely,
C. T. Moses, Jr.
Mayor, Town of Appomattox.

Father Parkleaf

By e. h. r.

Parkleaf went to see Smith yesterday afternoon, came home with garden-seeds for our dinner-table, they sent me a tre-mendous, perfectly shaped, weighing over a pound, tempting envious eyes with garden products, the Smith sausage — to be a delightful Smith home-grown.

Parkleaf told that Bro. LeRoy Smith been coming forth with his fine sized tomatoes.

Parkleaf's cigar box in our front room repository for our surplus postage stamps. We beg to report it is getting out of hand! We are blind and become cross-eyed when we raise the lid of the box. Our needs include one-cent stamps, etc cent stamps, two-cent stamps, three cent stamps, four cent stamps and now four cent stamps. If they came in the loaded-up assortment of shapes, sizes and stamp box looks like the collection of Joseph's coat.

Parkleaf's front page we carried pictures of the two boys and girls from here attending the Boys State at Blacksburg. We regret that in listing the names Perry Phelps was listed as Perry.

Parkleaf is talking with Mr. W. J. Lyon about the record of his son, Lt. Leonard, in the Army of Virginia. He said his son is now stationed under Stonewall Jackson Army, also of the great Stonewall Jackson. Jackson drove and led his men to the utmost of endurance, but Mr. Lefrand said that his father tell how on many occasions the great General would ride the line long enough to get a spell of prayer!

Parkleaf is among the living department, and he commend Dr. H. Lee for the fine drug store he has in Appomattox. Not only complete, modern drug store, but one of the way by many available, opening at 8:30 and closing at 9:00 P. M. Between long hours every one much more availability offered by the average store.

Parkleaf's friend, Emery Mullin, of Richmond, came to show us some of the tobacco produced on Emery was one of three Virginia growers asked to raise a batch of Turkish tobacco, to ascertain if it would do well in this area. Emery was one of the specialists to come and see him in the fort of the tobacco.

Parkleaf's recent over-night and early visit at Virginia Beach, I guess 23 folks from Appomattox. Then into the group and sunrise walk along the beach.

Parkleaf's homesmokish of Virginia is closely linked to the South, for geographical location is only removed from Dixie. To the Virginia State of Confidence, her motto, "Sic Semper Tyrannis" is North of Indianapolis. Virginia is nearer Maine than any part of Missouri is farther South than all of Virginia. Parkleaf's geographical state, but her west-most is farther West than Denver.

Parkleaf's geographical center of Virginia is in the northwest of Appomattox County. The Courthouse: near Oakville. Perhaps we have done our share in changing the Commonwealth's center.)
